PROJECT: SOUTH PARK HOUSTON (TARGET AREA)

REBUILDING OF SOUTHEAST HOUSTON

We are assisting anyone in the Southeast Houston Area to rebuild or rehab their home. This project is for special areas only.

You must attend a meeting and be willing to attend all the workshops to help you get your life back on track.

You may not call the office for an appointment without attending an orientation meeting first.

If you own your own lot we will build you a home on your lot.

We have grants and Loans available for clients in the Houston and surrounding areas.

We will help other areas if your home was damaged by a Natural disaster. Flooding, Fire, Hurricane.

Application will be mail back to you if you have not attend an orientation meeting first. For more information visit:
